

BAHAMAS RELIEF EFFORT
Hurricane Dorian

Materials will be initially brought to Treasure Cay, Abaco or Marsh Harbor, Abaco

Our efforts are to ensure that relief materials get delivered directly to affected people of the Abaco Islands.

This local effort is organized rapidly with some coordination with several other private aircraft owners and concerned people that wish to help the people of the Abaco Islands. These are all private people therefore **there is no** non-profit established or tax deduction provided with your donation.

How can I donate?

1. If you are a St Francis High School Family, you may drop off materials at St Francis High School. Have your student leave items in Ms. Persons Room at the High School.
2. If you are a St Francis Middle or Elementary Family, you may drop off materials at your Front Office.

3. You may drop or ship items to Cobb County Airport:
Bahamas Relief c/o Hawthorne Aviation,
1723 McCollum Pkwy
Kennesaw, GA 30144
Tel: 770-422-4300
