

Marc Drobny, President, Executive Jet Management

Over the past 10 years, Marc has served EJM in a variety of roles including director of subcontract services and vice president of charter services before assuming his most recent position as senior vice president of charter sales and marketing in January 2008. Since then, and never accepting “we can’t” as an excuse, he has been instrumental in growing EJM’s charter division, forming strong relationships with key clients, and developing the talents of the charter sales, aircraft brokerage, and corporate marketing teams.

Receiving a BS in aeronautical engineering from the U.S. Naval Academy, and as a graduate of the U.S. Navy Test Pilot School, Marc went on to serve 16 years in the U.S. Navy as a fighter pilot, test pilot, and operations department head. His military career included combat deployments to the Persian Gulf on board the USS Carl Vinson and USS John F. Kennedy in support of Operations Southern Watch, Desert Fox, Iraqi Freedom, and Enduring Freedom. Marc has 2,000+ flight hours in 22 types of airplanes and helicopters, 350+ carrier landings, and holds commercial and multiengine instrument ratings.
